Final Results - CORRECTED

Day times & placing - D level separation is based off of the fastest time for a clean run (rings and gates only) with 1.5 seconds added for 2D placing, and 3 seconds added for 3D placings. Average time & placing - D level separation is based off of the fastest time for a clean run (rings and gates only) with 1.5 seconds added for 2D placing, and 3 seconds added for 3D placings to the average times. Please note: the 'rider ring' was a bonus (5 seconds removed from total time); was not required to get, and not considered part of the clean run.
